BASIC INFORMATION

FORMAT: Maxi / LP 12"
 WEIGHT: approx. 140 – 160 g

OPAQUE COLOURS = white, black vinyl

TRANSPARENT COLOURS = red, blue, green, yellow, orange, transparent (clear) vinyl

Little colour uncleannesses have to be accepted. Samples by request.

A strict colour separation is not possible (colour gradient).

Not every combination of colours is possible without colour changes because new colours can occur
 (for example: yellow + blue = green).

Mechanical assembly in polylined innersleeves with/without centerhole only.

Each record is unique!
